Dear Ms. Wallace:

In accordance with our telephone conversation and your instructions to my secretary yesterday, we have prepared the following "Application Data Sheet" for this case.

We are also enclosing a copy of the "Combined Declaration and Power of Attorney" that has been executed by all of the inventors for this application. Being unaware that the USPTO had accepted the Declaration filed with the PCT case, we had been holding this paper in our file in anticipation of receiving a Notification of Missing Requirements. On previous occasions for other applications where the USPTO has accepted the Declaration filed with the PCT case, we had forwarded the executed Declaration and Power of Attorney under cover of a "Letter" for entry of the Power of Attorney portion of the document. We are not aware of any problem with having submitted the Combined Declaration and Power of Attorney for entry of just the Power of Attorney portion of it. Please contact us if you have any problem in this regard so that we may resubmit the Combined Declaration and Power for entry of the Power of Attorney portion as we had previously.

We greatly appreciate your assistance in preparing a proper official Filing Receipt for this case. Please let us know if you require anything further, and

Merry Christmas and Best Wishes for the New Year!
